

UH OH!

Dear <Larissa,>

How long has it been since you reviewed the specific coverages in your homeowners or renters insurance? If you're like most people, it has been too long.

And yet, when you need to file a claim, knowing that you have the right kind and the right amount of coverage becomes very important. You don't want to have to say, "Uh-oh."

That's where I can help. As an American Family agent, I'm here to help you choose coverage that fits your needs and to help make sure you know when special coverage may be needed — for example, for valuable items such as jewelry, collectibles, guns or other "scheduled" property. Plus, I can check to see if you may qualify for discounts, such as saving up to XX%* on your homeowners insurance if you insure both your home and auto with American Family.

If you think now might be the right time to check up on your homeowners or renters coverage, I would be happy to provide a no-obligation quote on a policy from American Family. Just call or send me an e-mail, or mail the reply card below.

Call today, while you're thinking about it. I don't want you to ever have to say . . . "Uh oh!"

Sincerely,

Linda Struck
